## **Welcome !**

Welcome to Clareville Middle School! To those parents and students returning for another year and also the students and parents new to our school, we hope you have an exciting year. We are very proud of the staff, students and programming at your Clareville Middle School and look forward to another year of providing quality learning experiences. For those parents new to our school I hope this newsletter helps to inform you of schooling here at the Middle School. If any parent can **assist with the delivery of meals** to our children please contact Mr. Walsh or Mr. Pardy. We would love to have you join our team! With parents and teachers working together we can be assured of providing optimal experiences for our children.

## **School Newsletters and School's Internet Home Page**

The following days will mark the release of a school newsletter. Again, the night before the scheduled release, the newsletter will be posted on our school's homepage. Also, curriculum outcomes for each grade level will be part of the GREAT looking school homepage. We ask parents to be on the look-out for these! All newsletters can be found by clicking on the 'Newsletters' box located in the side bar. Again, your school's homepage address is [www.k12.nf.ca/cms](http://www.k12.nf.ca/cms) . Check out the student work that has been posted from 2005-06 .

## **Live Aid Concert at Clareville Middle School.**

The Middle School will host a 'live aid concert' on October 12, 2006. The *Two Villages* project is nearly completed and the school is under construction in Sindhuli, Nepal. Our students helped contribute to the project during the 'Rice Day' in April, 2006. Tickets will go on sale in the coming weeks. Check out the project's website:
