Great job by everyone and thanks to Mr. Colbourne and his technical crew for all their work in making this event a huge success! Way to go everyone! CONGRATULATIONS!

Last Friday, June 3rd, Mr. Ivany was presented with School Sports Newfoundland and Labrador's Recognition Award for the Avalon Region for 2011. This award is presented annually by each region to an individual involved with School Sports Newfoundland and Labrador through coaching, convening tournaments, officiating or administration of school sports programs. Mr. Ivany was selected by his peers who felt that he was deserving of this School Sports recognition because of his involvement in School Sports. Congratulations Sir from all of us on your prestigious award!

Congratulations to Mark Manning on becoming the provincial winner of the GMO: Getting the Message Out Business Competition. Mark wrote an essay on his Uncle Eugene's business and it was the top winner across the province! For his efforts, he has won an I-Pad 2, his sponsoring teacher (Mr. Colbourne) also won an I-Pad 2, and our school has won a new computer. Representatives from the GMO competition will be at school for our final assembly to present Mark with his prize. Way to go Mark!!!!

This week, we have been informed that Kyle Morrissey was the Regional Winner in the Market Your Thoughts competition for Grade 8. We had earlier reported in error that Kyle had won the essay contest for the Communities Against Violence. In fact, it was Kyle's business idea, Kyle's Custom Nets, that was chosen over all the entries from this region as the best. Yesterday, we found out that Kyle has not only claimed the Regional title, but has captured the Provincial Winner in the 2011 competition! That brings with it an award of \$100! Way to go, Kyle!
