FINAL EXAM SCHEDULE

Attached to this newsletter is the Final Exam schedule for Junior and Senior High students. This is a time for all students to be preparing for exams. Tutoring services are still available and up to now, very few students have availed. This is a valuable service and one that could certainly benefit students preparing for exams. Please see note about tutoring below!

TUTORS AVAILABLE!

At this time, we would like to thank our first four TWEP tutors for their work at the school over the past three weeks. Thanks to Miranda McGrath, Allyson Roche, Tracy Nash and Samantha Young! Next week our next four tutors will begin work with us and will be available to work with students until June 17th. Carmelita Coffey, Lindsay Coffey, Amanda Kerrivan and Mallary McGrath will be with us next week.

Our TWEP tutors are available to work with students in preparation for final exams. If any student wishes to avail of this service or if a parent wishes to request services for their student, please contact the office and speak with Mrs. Walsh or Mrs. Careen. Tutors are available from 2:30 to 4:00 each day.

KINDERGARTEN GRADUATION

Our Kindergarten class consisting of Brooklyn Careen, Karen Corcoran, Sara Fitzgerald, Shane Patrick McGrath, Joshua Murray and Mollie Walsh were the stars of the show on Thursday evening as they held their graduation ceremony. The poise of these students cannot go unnoticed. They show great promise as students here at Fatima!

A big, big thank you to everyone who worked so hard to make last night so memorable. Special thanks to Mrs. Morrissey, their teacher, Mr. Colbourne, as well as all the staff and students who worked behind the scenes in preparation for the graduation. Thanks to everyone who came out to celebrate with our Kindergarten students. It was a night to remember!
