**UPCOMING EVALUATIONS:**

**TESTS/EVALUATIONS RETURNED:**

## **WALK TO BREAKFAST**

*On Wednesday morning, we finally got our Walk to Breakfast off the ground with a beautiful sunny morning. Grade 7 to 12 students and their teachers took to the road and K to 3 students took to the area around the school and arrived at school to a special breakfast. Thanks to our School Council members Mrs. Wanda Careen and Mrs. Monica McGrath who came by to lend a helping hand and to Mr. Cyril McGrath, who helps us out every day! Thanks are also extended to everyone who sent/brought in donations for our Breakfast Program. Your support is greatly appreciated!*

## **GREAT NEWS!**

*As you may be aware, as a result of Hurricane Igor, our gymnasium floor sustained water damage. After long last, we were informed this week that we will be getting a new floor. While the new floor has to be tendered, awarded, and then installed, Eastern School District is very concerned with the instructional time that is being missed in our gym. They estimate the time to have the new floor complete as taking approximately three months. As a result, they are going to attempt to get our floor back to a usable condition while we wait for the new floor.*
