SchoolStock News

Schoolstock is sponsored by **Music NL** and is recognized as a significant festival allowing musical talent to be exposed. We receive financial funding from Music NL every year.

**Just got word from Dennis Parker at Music NL that they are considering using SchoolStock in some way to help promote the 2010 Juno awards which will be held in St. John's. Stay tuned for details which will be announced on our website listed at top of this message. This means that SchoolStock will get national attention.**

Schoolstock is also sponsored by **Krock** and receives extensive radio coverage in the weeks leading up to the event as well as during the event.

Our  
Corporate  
Sponsor

Schoolstock 2010 proudly welcomes **NEWFOUNDBAND** music store as the major corporate sponsor. Newfoundband will be providing the major prize give away of an electric guitar as well as other prizes.

Newfoundband is located on **Roe in Gander just across from Wal-Mart**. I have just learned that they now have a huge clearance on fantastic equipment such as Amplifiers at 1/2 price. When I say fantastic I mean \$1000 tube amplifiers going for \$500. You know! TUBES: That's the kind of power that peels paint from walls. Not sure how many are in stock !

# SchoolStock History

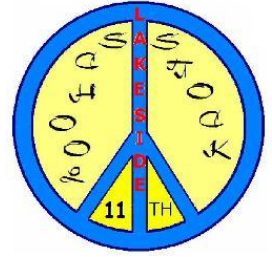

Schoolstock began in 2000 as a way to engage Lakeside Students in an event which would bring all students together and to celebrate our new school.

We quickly learned that students from all schools needed a venue to show their talent . From the start it was obvious that our event could not be a talent show or a competition. In fact most of our audience would consist of performers themselves.

Aside from just two years when we contracted our music equipment management to outside companies, Mr. Rodney Vokey and his students have been totally responsible for music /sound setup and management throughout the event. This is a great source of pride for us here at Lakeside as we know that students and teachers manage this event from every aspect. This is a student driven and teacher supported event in every way possible.
