Term Two Reports and Parent Teacher Interviews

Report Cards for all course work for the second term were distributed today, Friday, March 14, 2008.

Parent-Teacher-Student interviews will take place in our school gym on Monday, March 17, 2008 from 1:00pm — 4:00pm and from 7:00pm — 9:00pm.

There will be no appointments for these parent teacher sessions and parents will be seen on a first come first served basis.

We would also like to remind parents and guardians that the afternoon session ends at 4:00pm and most teachers have to leave at that time due to family commitments. The teachers will return at 7:00pm

St. Paul's Junior High School will be closed on Wednesday, March 19, 2008 so that teachers can attend a professional development session.

Thank You Parents

A really big thank you to all parent and guardians who made Teacher appreciation week such a special event for the teachers at St. Paul's. The posters and cards of thanks were great as well were the many food items that filled the staff room every day of the week.

Breakfast Club

Breakfast Club is very popular with our students. But the Club relies on donations to keep going. Supplies usually run out faster than they come in. A request for donations that was sent out in January had an extremely poor response.

We always need donations of food (cereal, cereal bars, juice boxes, etc). Donations of money are greatly accepted too! All donations of food and money that we receive are then matched by the Kids Eat Smart Foundation so we can buy perishable items like milk, fresh fruit and yogurt. So the program gets twice the value from your donations.

Please drop your donations off at the office during the school day. Please do not donate cereals with a high sugar content or any products containing nuts. To become a parent volunteer with the Breakfast Club, please contact Ms. Rowe (jillrowe@esdnl.ca).
