## St. Paul's Junior High Science Fair

Wednesday, March 13

- Time 7:00pm-9:00pm
- In the school Gym
- Awards presented at 8:30pm

St. Paul's Junior High gratefully acknowledges the donation of an Acer Flatbed Scanner donated by Joan and Bob Dunsmore.

There will be a meeting for parents, of grade 6 students from our feeder schools, considering enrolling their children in the French Immersion Program. The meeting for will be held at 7:30pm on Tuesday, March 12th in the school cafeteria.

## Teacher Websites: "enhancing communication between Teachers, Parents and Students."

Introducing... an exciting new service just for students and their parents.

A number of our teachers have created a "MyTeacherWeb" page so that parents can have a list of active links to their children's teachers'. Parents can now view updated

class assignment happenings just by connecting to the teacher websites on the right hand side of the school homepage. Parents and students can see

at a glance updated homework, announcements, tests and assignments in a single click - a great time-saver for busy students and their parents!

## Teacher Appreciation Week 2002

The teachers would like to thank the many school parents and the St. Paul's School Association for all their hard work and planning to make this years teacher appreciation week so special.

The coffee urn from Executive Coffee, the daily treats in our mailboxes and the wonderful desserts made everyone's smile broader this week.

Thank you
